

Presenting The
1952
Northern Album

This is the Northern Album, your book of Memories. It carries no elaborate theme and makes no excursions into the lush never-never land too often characteristic of the College annual. It has but one purpose; to help you remember what happened during one year in the life of a great University.

*Marshall E. Phillips, Editor
Robert Evans, Business Manager*

To The Memory Of Our Beloved Deans . . .

DR. LOUIS E. OTTE,
Dean of Men and Dean of the University

PROFESSOR ALEXANDER R. WEBB.
Dean of the College of Engineering

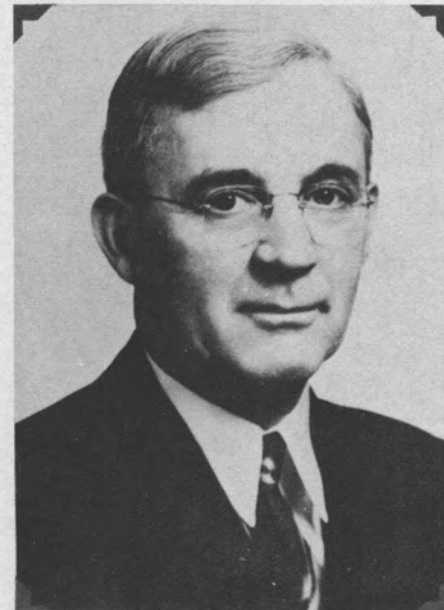

Among the many who have made great contributions to Ohio Northern University these two men occupy a place of highest esteem. Dean Alexander Webb made his contribution over a long period of time; Dean Louis E. Otte over a few short, intensive years. Both in their own unique way have made us their debtors for all time to come.

It is fitting, proper and a common privilege that student body, faculty, and the Board of Trustees should join hands together to do the honor to the memory of these benefactors of Ohio Northern University. It gives me genuine satisfaction to have a part in such a dedication and I voice for all of you the deep feelings that arise in the breast of every loyal son of Ohio Northern University. Thank God for men like these.

F. BRINGLE MCINTOSH

The 1951 Football Season

A Powerful, heavy line with a fast, hard-running set of backs was characteristic of the 1951 Polar Bear team. The Polar Gridders fought viciously against tough opposition to try to retain top berth in the Mid-Ohio Conference throughout the 4-win; 5-loss season only to have the title denied them at the last minute. It was the last minute in the final tilt that a 20 yard field goal robbed the Bears of top rating in the Conference.

The 1951-'52 Basketball team has climbed to a new height in ONU sports history as they were rated fifth in the nation in the total points scored. Great team play along with individual effort led the ONU Cagers to a very successful season. Northern again bowed in defeat to the Findlay five to lose the Mid-Ohio Basketball Conference Title.

President congratulates newly-weds Max and Dwilla Cramer.

The President

Dr. F. Bringle McIntosh became the sixth president of Ohio Northern University on Sunday, October ninth, 1949, after having assumed his duties the previous June.

In the two and a half years that Dr. McIntosh has served, much progress has been made at Northern. Many of the buildings have undergone extensive improvement and repair. An addition was built on the pharmacy building, and plans were made to move the engineering college to the old Ada grade school, which had been purchased by the university. The women's dormitory was completed during the summer and now houses all women students, including the sororities, who were moved from their houses.

Dr. McIntosh received his B.A. from DePauw University, S.T.B. from Boston University, and holds an honorary D.D. from Depauw University.

Before being elected to the presidency of Ohio Northern Dr. McIntosh was superintendent of the Toledo District of the Methodist Church and trustee of Ohio Wesleyan University.

With Dr. C. M. Thacore, President of Lucknow College, Lucknow, India.

Ode to a "B"

I think that I shall never see
A mark as lovely as a "B"
A "B" whose fat and luscious curves
Will please the eyes and soothe the nerves
A "B" that drives away all care
And brings that gladness everywhere
A "B" that may in time, I wish,
Increase fourfold to make Dean's list
"D's" are made, they say, by fools
But not according to my rules
For at O. N. U., it seems to me
That only God could make a "B"

They's some people I know would have a pretty powerful inferiority complex if they had any brains.

☆ ☆ ☆

They's others I would like to buy for what they's worth and sell for what they think they's worth.

☆ ☆ ☆

I'd split the profit with the guv'ment.

☆ ☆ ☆

Speakin' of the guv'ment, I think if anybody gave me a million dollars I'd have a race with the guv'ment to see who could spend it the fastest.

☆ ☆ ☆

They's win They allus do.

How good is "good enough"?

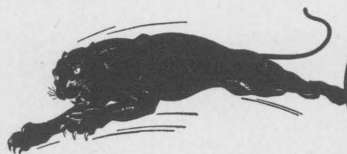

Here in America, we're a lot less interested in answering that question than we are: "How much *better* can we do it?"

That's why last year's track records have a way of falling, this year. That's why this year's miracle drugs give way to greater medical miracles, next year. That's why we come up with television . . . then *color* television.

That's also why we come up with a good gasoline . . . then a better gasoline.

For, under the healthy, competitive system we have in the U.S.A., there is a reward in sports, in science, in *business*—for those who are not satisfied with "good enough."

As long as every individual and every company is free to seek the reward that comes with "doing it better," America will continue to be a better and better place in which to live.

Heard in a Bull Session

An Officer of ancient Rome, called away to the wars, locked his beautiful wife in armor. Then he gave the key to his best friend with the admonition:

"If I don't return in six months, use this key. To you, my dear friend I entrust it."

He then galloped off to the wars. About ten miles from home he saw a cloud of dust approaching and waited. His trusted friend, on horseback, galloped up and said: "You gave me the wrong key."

What They're Saying

Late hours, no sleep,
Now you're looking like a creep;
Coffee flows, aspirin, too,
Seems your eyes are full of glue
Roman Empire, calculus,
Find the unknowns, mustn't fuss;
Temper short, walk with droop,
Keep on feeling like a stupe.
Paper spread on the floor,
"Quiet, Please!" on the door.
Books are stacked in towering pile
Wonder if it's worth the while?
Toss a coin, decide the crams;
Heads, the Army; tails exams.

Passing a cemetery in the wee hours of the morning, a drunk noticed a sign which read, "Ring the bell for the caretaker." He did just that, and a sleepy eyed man came to the door.

"What do you want?" asked the man.

"I wanna know why there's going to be a raise in tuition at Ohio Northern next year."

(This one's a scream. The drunk thinks that the sign means to ring the bell for the caretaker—to help him out—when actually it means to ring the bell if the caretaker is wanted. See? It's a kind of pun and the drunk has the wrong meaning which is pretty stupid and also too bad as he has gotten the caretaker up out of a sound sleep just to ask him a foolish question about something that nobody knows anything about anyway.

A salesman stranded in a small village asked one of the natives if there was a movie in town.

“Nope,” was the reply.

“Any poolrooms or bowling alleys?”

“Nope.”

“What form of amusement do you have?” asked the exasperated salesman.

“Wal, come down to the drugstore,” said the old man. “Thar’s a freshman home from college.”

Campus Newspaper Story

One of the first professors a new freshman meets on the campus is Dr. John O'Johnson. (1)

A slightly graying man of 50, Dr. O'Johnson is the nation's foremost expert in his chosen field. (2)

His lectures are punctuated with personal anecdotes. (3)

His speeches are enriched with facts. (4)

After each class period students rush to his desk to discuss the day's lecture. (5)

Many of his 303 students come back to be in his classes year after year during their college careers. (6)

Translation

(1) Ethnoactinology 303 is a freshman course having only section.

(2) Nobody else seems to care for Ethnoactinology.

(3) He's been around.

(4) Memorize everything.

(5) He speaks rather indistinctly.

(6) Ethnoactinology 303 is a required course.
